

K-Love is essential to my life here in the Silicon Valley. It's positive and encouraging message ministers to me throughout the day. Our community is so inundated with negative, angry, and hateful music. If K-Love were displaced by an LPFM broadcaster with more "typical" programming, there would be no hope and love broadcast in my area. The Silicon Valley is so harsh already. Please do not take away the positive message that is broadcast by K-Love.
